I certify that all information provided in sections 2.0, 2.1 and 2.2 is correct, complete to the best of my knowledge, and that I have an obligation to update Allergan, using the contact information herein, of any changes in my financial status or insurance coverage.

I understand that Allergan Pharmaceuticals, Inc., including any agents Allergan engages to administer or otherwise support the Patient Assistance Program (the "Program") (collectively, "Allergan") may contact me to request verification of any information provided or requested on this form, which I agree to provide personally or through my employer or my insurance or other benefit provider. Completion of this form does not guarantee approval for the Program.

If approved, I certify that:

- (i) I will not seek reimbursement for any drug(s) and/or device(s) requested on the prescription attached to this application from any government program or third-party payor;
- (ii) If I am a member of a Medicare Part D plan, I will not apply or claim the cost of any Program drug(s) and/or device(s) toward my true out-of-pocket costs;

SECTION 4.0: PATIENT AUTHORIZATION

By signing below, I hereby authorize my prescriber, pharmacy or other health care provider set forth below in Section 1.0 above to disclose and transmit my Protected Health Information (“PHI”) (as such term is defined in the Health Insurance Portability and Accountability Act and regulations thereunder, as amended) to Allergan and any third party engaged to assist Allergan in administering the Patient Assistance Program (the “Program”) (collectively, “Allergan”) for the purposes described herein.

I understand that Allergan may disclose and transmit my PHI to my insurance or other benefit provider, including the Centers for Medicare & Medicaid Services (“CMS”) and any authorized vendor(s) of such insurance or other benefit providers, for the purposes of verifying my Medicare Part D or other enrollment status, confirming coverage (or lack thereof) for the requested drug(s) and device(s), and disclosing my enrollment in the Program with my Medicare Part D plan or other insurance/benefit provider.
