

Thank you for downloading this patient assistance document from NeedyMeds. We hope this program will help you get the medicine you need.

REMEMBER - Send your completed application to address on the form, NOT to NeedyMeds.

Did you know that NeedyMeds has thousands of other free resources?

Here's a look at more ways we can help you save money on medicine and healthcare costs. Each one can be found under the "**Patient Savings**" tab on our website:

- **Diagnosis-Based Assistance** — NeedyMeds lists thousands of assistance programs for almost any health condition. If you are going through chemo treatment for cancer, there are programs that can help with wig costs and scalp-cooling products. We also list resources for free diabetes testing supplies, caregiver lodging support, and much more.
- **Free, Low Cost, and Sliding Scale Clinics** — This popular collection contains information on 16,000+ free, low cost, and sliding scale medical and dental clinics across the U.S. It's a great resource if you need affordable medical treatment and don't know where to go.
- **Coupons, Rebates & More** — You can use the NeedyMeds website to find nearly 2,000 cost-saving opportunities for both prescription and over-the-counter drugs and medical supplies.
- **Medical Transportation** — Need help getting to the doctor's office or medical facility? You may be eligible for financial assistance if you meet certain requirements.

Finally, I want to tell you about the NeedyMeds Drug Discount Card. Thousands of people use this free, anonymous, and easy-to-use tool to get the best price on their medications. To date, our drug discount card has saved patients over \$244,000,000. Check out the next page to learn more.

Feel free to call our toll-free helpline if you have any questions. You can reach us at 1-800-503-6897 Monday-Friday, 9am-5pm Eastern Time.

Thanks for using NeedyMeds! Please let us know if we can do anything else to help you afford the costs of your healthcare.

 DRUG DISCOUNT CARD		NeedyMeds Drug Discount Card www.needymeds.org
BIN: 019520 RX PCN: NMEDS RX GRP: PDFPDF ID: NMNA019309901930		Patient: Simply present this card to a participating pharmacy to receive a discount on your prescription. Patients who have Medicare, including Part D, Medicaid or any state or federal prescription insurance can only use this card if they choose not to use their government-sponsored drug plan for their purchase. The card is not valid in combination with those programs. For questions concerning the card, call 1-888-602-2978 or visit www.drugdiscountcardinfo.com.
This is a drug discount program, not an insurance plan.		Pharmacist: Card must be presented to receive program benefits. Clear system of prior cardholder information associated with this universal cardholder ID. For processing questions, call Argus Health Systems at 1-866-921-7286.
		

- Save up to 80%
- Use at over 65,000 pharmacies nationwide including all major chains
- Share the card with friends and family

- Use the card as often as needed
- Free, no fees or registration
- Never expires

What if I have insurance?

Anyone can use the card, but it can't be combined with insurance.
You can use the card instead of insurance if:

- A drug isn't covered by your insurance
- Your insurance has no drug coverage
- You have a high drug deductible
- You have met a low medicine cap
- The card offers a better price than your copay
- You are in the Medicare Part D donut hole

What drugs are covered?

The card is good for prescription drugs, over-the-counter medicines and medical supplies if written on a prescription blank, and pet prescription medicines purchased at a pharmacy. You'll save on most, but not all, prescriptions.

To obtain a plastic drug discount card, send a self-addressed stamped envelope to:

NeedyMeds-PAP
PO Box 219
Gloucester, MA 01931

The card is not valid in combination with other insurance plans, including Medicare, Medicaid or any state or federal prescription insurance. The card can be used only if you decide not to use your government-sponsored drug plan for your purchases.

Providing you with High-Quality, Low-Cost Prescription Drugs.

All prescriptions are evaluated by a pharmacist before being filled. For some medications, the quantity may be less because of dose restrictions set by therapeutic guidelines and state regulations.

NOTICE: All CONTROLLED SUBSTANCE (CS) medications have limits on how long a prescription is valid. Prescriptions are only valid for a maximum of six months or a physician's stop date, whichever is less. Controlled substance quantities are limited to a 90-day supply or less based on the physician order. Authorized refills are not to exceed these parameters.

Rx Outreach is a fully licensed pharmacy. Rx Outreach reserves the right to add or delete medicines available, change fees, or discontinue the program at any time. Rx Outreach does not accept returns of unused medicine dispensed pursuant to a valid prescription or refund fees for any such prescription. You are responsible for the package upon delivery. All prescriptions are evaluated by a pharmacist before being filled. The quantity may be limited based on dose restrictions set by therapeutic guidelines and state regulations. We cannot ship controlled substances to a P. O. Box or doctor's office. Your shipping address for these must be a deliverable U. S. Postal Service street address.
