**(CS) Controlled Substance**

Rx Outreach is a fully licensed pharmacy.

Rx Outreach reserves the right to add or delete medicines available, change fees, or discontinue the program at any time

These are the only medications we offer at this time. If a medication is not on this list, it is not currently available from Rx Outreach.

All prescriptions are evaluated by a pharmacist before being filled. For some medications, the quantity may be less because of dose restrictions set by therapeutic guidelines and state regulations.
