Did you know that NeedyMeds has thousands of other free resources?

Here's a look at more ways we can help you save money on medicine and healthcare costs. Each one can be found under the "**Healthcare Savings**" tab on our website:

- **Diagnosis-Based Assistance** — NeedyMeds lists thousands of assistance programs for almost any health condition. If you are going through chemo treatment for cancer, there are programs that can help with wig costs and scalp-cooling products. We also list resources for free diabetes testing supplies, caregiver lodging support, and much more.
- **Free, Low-Cost, and Sliding Scale Clinics** — This popular collection contains information on 18,000+ free, low-cost, and sliding scale medical, dental, mental health and substance abuse clinics across the U.S. It's a great resource if you need affordable medical treatment and don't know where to go.
- **Coupons, Rebates & More** — You can use the NeedyMeds website to find 2,600+ cost-saving opportunities for both prescription and over-the-counter drugs and medical supplies.
- **Medical Transportation** — Need help getting to the doctor's office or medical facility? You may be eligible for financial assistance if you meet certain requirements.

NeedyMeds also offers information on diagnosis-based camps and retreats, recreational programs, scholarships, government programs, \$4 generic drug programs, and more.
