My signature certifies that the person named on this form is my patient; that the information provided on this application, to the best of my knowledge, is complete and accurate; and that therapy with ALPROLIX/ELOCTATE/ALTUVIIIIO is medically necessary.

I acknowledge that I have obtained authorization to release the patient's personal health information and the information on this form and any prescription to Genzyme Corporation (together with its parents and affiliates, "Sanofi") and its third-party business partners, vendors, and other agents ("Agents") for the purpose of providing product support services ("the Programs"). I further certify that any service provided by Sanofi on behalf of any patient is not made in exchange for any express or implied agreement or understanding that I would recommend, prescribe, or use any Sanofi product or service for anyone, and my decision to prescribe ALPROLIX/ELOCTATE/ALTUVIIIIO was based solely on my determination of medical necessity. I understand that my information may be used by Sanofi to manage and improve the Programs, to communicate with me about my experience with the Programs, and/or to send patient materials relating to the Programs. With respect to any free product provided to the patient listed above, I understand that provision of the product is not contingent on any purchase obligations. I also understand that no claim for reimbursement will be submitted to Medicare, Medicaid, or any third-party payer for medication received free of charge under the Program, or for related medical procedures and services; nor should the free product be sold, traded, or distributed for sale. In addition, I certify and warrant the following: This request has been prepared exclusively by me or my office. ## 8 AUTHORIZATION FOR RELEASE AND USE OF HEALTH INFORMATION

By signing this Authorization to Release Health Information (“Authorization”), I authorize my health care providers (including my pharmacies), and my health plans and insurers [and their contractors] (collectively, the “Parties”) to disclose to Genzyme Corporation including its parents, affiliates, and its third party business partners, vendors, and other agents (collectively, “Sanofi”) information about my disease, treatment, insurance coverage, and payment for my therapy (together with the information I have provided on this Enrollment Form and may provide in the future, “my Information”) for the purposes of Sanofi providing me with patient support services and sending me communications that I have agreed to receive elsewhere in this Enrollment Form.

The Parties and Sanofi may use and disclose my Information for the purposes of providing certain support services I agree to in this Enrollment Form, including, but not limited to: (1) determining if I am eligible to participate in the Sanofi Patient Services Program (“the Program”); (2) to manage and improve the Program; (3) to communicate with me about my experience with the Program; (4) to send materials relating to the Program; (5) investigating my health insurance coverage; (6) operating and administering the Program; and (7) contacting me for follow-up on any adverse event I may disclose regarding a Sanofi product. I further authorize Sanofi to de-identify my health information and use it in performing research, education, business analytics, and marketing studies, or for other commercial purposes, including linkage with other de-identified information Sanofi may receive from other sources.

I understand that once my information has been disclosed to Sanofi, federal privacy laws may no longer protect the information from further disclosure, but that Sanofi intends to use and disclose my information only in accordance with this Authorization or as otherwise allowed by law.

I understand that Sanofi may provide my specialty pharmacy with payment to obtain, use or disclose my information. I understand that my personal health information may be used for communications between Sanofi and me which may be considered marketing. Specialty Pharmacies may receive remuneration in exchange for disclosing my information and/or for providing me with support services in connection with the Sanofi Patient Services Program. You may have certain rights under applicable data privacy laws regarding your personal information, including the right to access your personal information held by Sanofi. For further information regarding these rights, please reference our Global Privacy Policy at [www.sanofi.com/en/ourresponsibility/sanofi-global-privacy-policy](http://www.sanofi.com/en/ourresponsibility/sanofi-global-privacy-policy). Withdrawal of this Authorization will end further reliance on this Authorization (and my participation in the Program) but it will not affect any use or disclosure of my Information before my notice of withdrawal is received and processed.

I understand that I may refuse to sign this Authorization and that a refusal to sign will not affect my ability to obtain medical care, insurance coverage, or access to health benefits, including access to therapy. However, if I do not sign this Authorization, Sanofi cannot provide me with support services. Authorization expires 5 years from the date I signed unless subject to applicable law unless or until I withdraw (take back) this Authorization before then. I understand that I may withdraw this Authorization at any time by sending a written notice that includes my name, address, and phone number, to Sanofi, ATTN: RBD Patient Services, 450 Water St, Cambridge, MA 02141, or by emailing [RBDPatientSolutions@sanofi.com](mailto:RBDPatientSolutions@sanofi.com).

**I certify that I have read and understand the Authorization for the Release and Use of Health Information and agree to its terms. I understand that I am entitled to a copy of this Authorization upon request.**

### 9 PATIENT CERTIFICATIONS

I authorize Sanofi to provide me with various therapy support services for which I am eligible, which may include but are not limited to: online support, patient education compliance and persistency support, insurance benefits verification and reimbursement support (if requested), coverage and financial assistance support (if requested), and such other support services as may be added in the future, as well as any information or materials related to such support services. I acknowledge and understand that Sanofi cannot provide me with medical advice, and I will direct all treatment-related questions to my healthcare professional.

I understand and agree that Sanofi may contact me about such services and information by mail, e-mail, telephone call, fax, or other means at the telephone numbers, email, and mailing addresses I provide. I understand a representative from Sanofi may contact me for follow-up on any adverse event I may report regarding a Sanofi product. I understand that I do not have to enroll in the Program and that if I choose not to enroll, I can still receive my medication as prescribed by my physician. I may opt out of the Program at any time by calling the Case Management team at 833.723.5463, emailing RBDPatientSolutions@sanofi.com, or sending a written notice that includes my name, address, and phone number, to Sanofi, ATTN: RBD Patient Services, 450 Water St, Cambridge, MA 02140. Sanofi reserves the right to modify or terminate any or all support services at any time without notice.

If enrolling in the Sanofi Copay Program\* (the "Copay Program"), I understand that my Copay Card information will be sent to my designated specialty pharmacy along with my prescription, and any assistance with my applicable cost-sharing or copayment for ALPROLIX/ELOCTATE/ALTUVIIIIO will be made in accordance with the Copay Program terms and conditions.

\*Not valid if the patient is utilizing a state or federally-funded health insurance program such as Medicare (including Medicare Part D), Medicaid, Medigap, VA, DoD, TRICARE®, state pharmaceutical assistance program, etc. to pay in part or in full for your ALPROLIX/ELOCTATE/ALTUVIIIIO prescription.

I also agree that Sanofi may verify my eligibility for the Sanofi Patient Services Program, and I understand that such verification may include contacting me or my healthcare provider for additional information and/or reviewing additional financial, insurance, and/or medical information. I authorize Sanofi under the Fair Credit Reporting Act to use my demographic information to access reports on my individual credit history from consumer reporting agencies. I understand that, upon request, Sanofi will tell me whether an individual consumer report was requested and the name and address of the agency that furnished it. I further understand and authorize Sanofi to use any consumer reports about me and information collected from me, along with other information they obtain from public and other sources, to estimate my income in conjunction with the Sanofi Patient Services Program eligibility determination process, if applicable. I further understand that no free product may be submitted for reimbursement to any payer, including Medicare and Medicaid; and no free product may be sold, traded, or distributed for sale. If approved for the Sanofi Patient Services Program, I will not seek to have the value of any medication provided to me under this program counted toward my true-out-of-pocket (TrOOP) cost for prescription drugs for my Medicare Part D Plan. Continuation in the Sanofi Patient Services Program is conditioned upon timely verification of income. In addition, I agree to notify Sanofi RBD Patient Services immediately if my insurance status or my income changes. Sanofi reserves the right to review assistance requests based on patient needs and to change program guidelines or terminate the program at any time without notification.

### SANOFI COMMUNICATIONS CONSENT

I agree that Sanofi and its agents (such as third-party business partners) can contact me by mail, email, fax and/or telephone, including calls and text messages (if consent is provided to receive text messages), and send me information about rare blood disorders and relevant Sanofi products, promotions, services, and research studies, ask my opinion about such information and topics, including through market research and disease-related surveys, and share the information I provide with one another to perform these activities, and to de-identify it for use in performing research, education, business analytics, marketing studies, and other commercial purposes. If I agree to receive text messages, I understand that text messaging rates may apply. Your information will not be sold to any third party but may be provided to regulatory authorities if required. You may have certain rights under applicable data privacy laws regarding your personal information, including the right to access your personal information held by Sanofi.
