I certify that the information provided in this Patient Assistance Program Application is complete and accurate to the best of my knowledge, that the Viatris product I have prescribed to the applicant within this application is based on my professional judgment of medical necessity for a Food and Drug Administration (FDA) approved indication, and that I will supervise the patient's medical treatment. I will notify Viatris PAP immediately if the Viatris product is no longer medically necessary for this patient's treatment. I certify that I have obtained from my patient all required written authorizations for the release of my patient's personal identification and insurance information to Viatris and their agents and representatives.

I understand that any information provided to Viatris and its agents and representatives is for the sole use of Viatris and their agents, service providers, and representatives to verify my patient's insurance coverage status, to assess the patient's eligibility for participation in the Viatris Patient Assistance Program (collectively, "the Program"), and to otherwise administer the product and related services. I understand that application to the Program does not guarantee that assistance will be obtained.

I understand that Viatris may change or cancel this program at any time. I understand that if my patient's financial and/or insurance status changes, the patient may no longer be eligible for the Program, and I agree to immediately notify a Viatris PAP representative if I become aware of changes in the patient's financial and/or insurance status. I agree that Viatris PAP may contact me for additional information relating to this application either by fax, e-mail and/or telephone. I understand that I am under no obligation to prescribe any Viatris product and that I have not received, nor will I receive, any benefit from Viatris or its agents or representatives for prescribing a Viatris product. I agree that I will not sell, submit claims or make any attempt to receive reimbursement from any third party for any product provided by the Program.

Prescriber acknowledges that in connection with the application and enrollment process, United BioSource Corporation (UBC) performs eligibility screening using the Surescripts network. Surescripts requires that Prescriber agree to comply with all Surescripts' terms and conditions, including confidentiality, commercial messaging, privacy and security, applicable laws, and use of data. All Surescripts disclaimers apply. A full list of terms and conditions is available at <https://ubc.com/surescriptsterms/>.

By signing this Patient Assistance Program Application, I authorize the release of medical and/or other patient information to agents and service providers of Viatris to use and disclose as necessary for verification of patient eligibility, and to furnish any information on this form to the insurer of the applicant for the purpose of verifying benefit eligibility. I understand that Program duration per eligibility period is 12 months, and the maximum number of refills per eligible patient is 11 for each unique enrollment.

Patient Authorization and Agreement Signature

By signing this Authorization, I authorize each of my physicians, pharmacists, including any non-commercial pharmacy that receives my prescription ("my Prescribed Product"), and other healthcare providers (together "Healthcare Providers") and each of my health insurers, if any (together, "Insurers") to disclose my Protected Health Information, including but not limited to medical records, information related to my medical condition and treatment, my health insurance coverage, my name, address, telephone number, Social Security number, insurance plan and or group numbers (together, "Protected Health Information") to Viatrix, its affiliated companies, vendors, agents, collaboration partners, and representatives (together, "Viatrix") including providers of alternate sources of funding for prescription drug costs, and other service providers supporting the Viatrix Patient Assistance Program (PAP) (collectively, the "Program") for the purposes described below.

Specifically, I authorize disclosure of my Protected Health Information in order to:

- I. Enroll me in, and contact me about the Program, including online support, financial assistance services, and co-pay assistance services, as applicable,
- II. Communicate with my Healthcare Providers and Insurers about benefits, coverage, and medical care, including compliance with Product treatments,
- III. Facilitate dispensing of my prescription by a non-commercial pharmacy,
- IV. Provide me with educational materials, information and services related to my treatment experience with my prescribed medication and my condition,
- V. Verify, investigate, and coordinate with my Insurers regarding my prescribed medication, and
- VI. Contact me as otherwise required or permitted by law.

Once my Protected Health Information has been disclosed to Viatrix, I understand that federal privacy laws no longer protect the information. However, Viatrix agrees to protect my Protected Health Information by using and disclosing it only for the purposes described in this Authorization or as permitted by law. I understand that I may refuse to sign this Authorization. My choice about whether to sign will not change the way my Healthcare Providers or Insurers treat me, but I will not have access to the Viatrix Patient Assistance Program and the services provided by Viatrix under the Program. If I refuse to sign the Authorization, or revoke my Authorization later, I understand that this means I will not be able to participate in or receive assistance from the Program.

I understand that my signed Authorization is valid for 5 years from the date of my signature, and that I may revoke this Authorization at any time in the future, except to the extent that actions have been taken in reliance on the Authorization. I understand that revoking this Authorization will end further uses and disclosure of my Protected Health Information by the parties identified above except to the extent those uses and disclosures have been made in reliance upon this Authorization as permitted by applicable law. I am entitled to receive a copy of this Authorization.

I understand that if I qualify and I am enrolled in the Program sponsored by Viatrix, I will receive my Prescribed Product from Viatrix only pursuant to a legally valid prescription from my health care provider. I understand that if I qualify and I am enrolled in the Program, Viatrix will provide me my Prescribed Product free of charge for the duration of the enrollment period so long as I have a legally valid prescription for my Prescribed Product. I understand that I am not required to continue treatment with my Prescribed Product if I gain insurance coverage, or to receive treatment from any given provider. I understand and agree that I must notify Viatrix PAP at 888-417-5780 immediately if my insurance status changes during the Program enrollment period. I understand and agree that neither I nor my Insurers, if applicable, will be charged for the supply of my Prescribed Product that I received from the Program, and that under NO circumstances may I claim reimbursement from my Insurers or any other third party for the Prescribed Product provided to me free of charge from the Program. I understand that Viatrix reserves the right at any time without notice to modify or discontinue the Program and its criteria.

I understand that I am providing 'written instructions' to Viatrix under the Fair Credit Reporting Act authorizing Experian on behalf of Viatrix to obtain information from my credit profile or other information from Experian. I authorize Viatrix and its service providers to obtain such information solely for the purpose of determining financial qualifications for the Program. I understand that I must affirmatively agree to the terms in this notice by signing below in order to proceed in the Program financial screening process.
